### ACCOUNT DISCLOSURES

**Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.**

**1. RATE INFORMATION** — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For all earning accounts, the dividend rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the rates and yields as of the last dividend declaration date that is set forth in the Rate Schedule. Money Market and Business Money Market accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and

annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For tiered accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account.

**2. NATURE OF DIVIDENDS** — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

**3. DIVIDEND COMPOUNDING AND CREDITING** — The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar

day of the period. For Christmas Club accounts, the dividend period is annual. For example, the first dividend period begins on November 1 and ends on October 31. All other dividend periods follow this same pattern. For Vacation Club accounts, the dividend period is annual. For example, the first dividend period begins on May 1 and ends on April 30. All other dividend periods follow this same pattern. For Home Savers Club accounts, the dividend period is annual. For example, the first dividend period begins on March 1 and ends on February 28. All other dividend periods follow this same pattern.

**4. ACCRUAL OF DIVIDENDS** — For all accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For all earning accounts, if you close your account before accrued dividends are credited, you will not

receive the accrued dividends. However, for Christmas Club, Vacation Club, and Home Savers Club accounts, any accrued dividends will be paid if you close the account within seven (7) days of the date you open it.

**5. BALANCE INFORMATION** — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Share Savings account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For all earning accounts, there is a minimum daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum daily balance requirement is not met each day of the period, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the daily balance method as stated in the Rate Schedule dividends are calculated by applying a daily periodic rate to the principal in the account each day.

**6. ACCOUNT LIMITATIONS** — For Christmas Club accounts, the entire balance will be transferred to another account of yours on or after November 1 and the account will remain open. If you withdraw from your Christmas Club account, you will be charged a fee as disclosed in the Schedule of Fees and Charges. However, no fee will be charged if the withdrawal occurs within seven (7) days of the date the account is opened. For Vacation Club accounts, the entire balance will be transferred to another account of yours on or after May 1 and the account will remain open. If you withdraw from your Vacation Club account, you will be charged a fee as disclosed in the Schedule of Fees and Charges. However, no fee will be charged if the withdrawal occurs within seven (7) days of the date the account is opened. For Home Savers Club accounts, the entire balance will be renewed on or after March 1 and the account will remain open. For IRA Share Savings, Roth IRA Share Savings, Educational IRA Share Savings, and Simplified Employee Pension Plan IRA Share Savings accounts, contribution limits are set by federal guidelines and governed by the IRS. Visit [www.IRS.gov](http://www.IRS.gov) to obtain current limits. For Share Savings, Sub Share Savings, Saved Change Savings, Money Market, Premier Money Market, IRA Share Savings, Roth IRA Share Savings, Educational IRA Share Savings, Simplified Employee Pension Plan IRA Share Savings, Share Draft, Save the Change Share Draft, Health Savings Account Share Draft, Business Share, Business Money Market, Business Premier Money Market, and Business Share Draft accounts, no account limitations apply.

**7. FEES FOR OVERDRAWING ACCOUNTS** — Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. Refer to your Membership and Account Agreement for additional information regarding overdrafts. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Schedule of Fees and Charges for current fee information.

For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the credit union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.
